

Safeguarding and Safer Recruitment Policy

This policy is made available to all parents, prospective parents, staff and prospective employees of Hurlingham School on our school website, and a hard copy can also be viewed at our School Office.

1. Introduction

This Safeguarding and Safer Recruitment Policy applies to all aspects of Hurlingham School's work, including the Early Years Foundation Stage. This policy has been prepared with regard to the DfE guidance publications entitled *'Keeping Children Safe in Education'* (September 2016) (KCSIE).

- KCSIE incorporates the additional statutory guidance, *'Disqualification under the Childcare Act 2006'* (June 2016)
- KCSIE also refers to the non-statutory advice for practitioners: *'What to do if you're worried a child is being abused'* (March 2015)

and *'Working Together to Safeguard Children'* (March 2015) (WT).

WT refers to the non-statutory advice: *'Information sharing'* (March 2015)

This policy must be viewed in conjunction with our Safeguarding and Child Protection Policy.

Any policies referred to in this policy are available upon request from and to view in the School Office.

The Board of Directors and Headmaster of Hurlingham School are committed to providing the best possible care and education to its pupils and to safeguarding and promoting the welfare of children and young people. We are also committed to providing a supportive and flexible working environment to all our members of staff. We recognise that, in order to achieve these aims, it is of fundamental importance to attract, recruit and retain staff of the highest calibre who share this commitment.

The aims of our Safer Recruitment policy are to:

- comply with all relevant recommendations and guidance including the recommendations of the Department for Education (DfE) and the most recent code of practice published by the Disclosure and Barring Service (DBS)
- safeguard and promote the welfare of children by carrying out all necessary pre-employment checks
- deter prospective candidates who are unsuitable to work with children
- identify and reject applicants who are unsuitable to work with children
- give clarity to all those applying for posts so that the school can recruit the best possible staff on the basis of their merits, abilities and suitability for the position
- support our Equal Opportunities policy by ensuring that all job applicants are considered equitably and consistently, so that no applicant is treated unfairly on any grounds, including race, colour, nationality, ethnic or national origin, religious belief, sex or sexual orientation, marital status, disability or age

Members of the Senior Leadership Team (SLT) involved in the recruitment and selection of staff are responsible for complying with the provisions of this policy. Whenever we are involved in the appointment procedure for any staff post, at least one member of the recruitment panel will have undergone Safer Recruitment Training within the previous three years.

2. Recruitment and Selection Procedure

2.1. Inviting Applications

Advertisements for posts, whether in newspapers, journals or on-line, will include the statement:

We are committed to safeguarding and promoting the welfare of children. Successful candidates must be willing to undergo child protection screening, including checks with past employers and the Criminal Records Bureau.

Prospective applicants will be supplied with the following:

- job description and where appropriate a person specification
- our Safer Recruitment policy (this document) and our Safeguarding and Child Protection Policy
- an application form

All applicants for employment will be required to complete the application form. Incomplete application forms will not be accepted. Curriculum Vitae will not be accepted in place of the completed application form under any circumstances.

2.2. Short-listing and References

At least two members of the SLT will be involved in scrutinising application forms. Short-listing of applicants will be against the person specification for the post. Information concerning age, medical history, disability or criminal records disclosure will not be used to short-list candidates.

Whenever possible, references will be taken up on short-listed candidates prior to interview. All offers of employment will be subject to the receipt of a minimum of two satisfactory references, one of which must be from the applicant's current or most recent employer. If the current/most recent employment does/did not involve work with children, then the second referee should be from the employer with whom the applicant most recently worked with children.

Neither referee should be a relative or someone known to the applicant solely as a friend.

All referees will be sent a copy of the job description and where appropriate a person specification for the role for which the applicant has applied. They will also be asked to confirm the following:

- the applicant's dates of employment, salary, job title/duties, reason for leaving, performance, sickness and disciplinary record
- the applicant's suitability for the post in general
- the applicant's suitability for working with children
- whether the applicant has ever been the subject of disciplinary procedures, including warnings, involving issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired)
- whether any allegations or concerns have been raised about the applicant that relate to the safety and welfare of children or behaviour towards children

We will only accept references obtained directly from the referee on our official reference form with all sections completed. We will not accept references or testimonials provided by the applicant or on open references or testimonials.

We will compare all references with any information given on the application form. Any discrepancies or inconsistencies in the information will be taken up with the applicant before any appointment is confirmed.

Where necessary, referees will be contacted by telephone or e-mail in order to clarify any anomalies or discrepancies; a detailed written note will be kept of such exchanges.

Where necessary, previous employers who have not been named will be contacted in order to clarify any anomalies or discrepancies; a detailed written note will be kept of such exchanges.

Unsuccessful applicants will be informed in writing. Successful applicants (candidates) will be invited to an interview.

2.3. Interviewing Candidates

At least two members of the SLT will be involved in the interview process and at least one of these leaders will have successfully completed the Safer Recruitment Training provided by the Children's Workforce Development Council or the National College for School Leadership.

Short-listed candidates will be invited to attend a formal, face-to-face initial interview, at which their relevant skills and experience will be discussed in more detail. Candidates will always be required to:

- explain any gaps in their employment history satisfactorily
- explain any anomalies or discrepancies in the information available to the recruiters
- declare any information that is likely to appear on the DBS disclosure
- demonstrate their capacity to safeguard and protect the welfare of children and young people
- answer questions aimed at obtaining evidence of how the candidate meets the criteria listed on the person specification; the same areas of questioning will be covered for each candidate

All candidates who are invited to an interview will be required to bring the following evidence of identity, address and qualifications:

- current photograph driving licence and full birth certificate OR current passport (where an applicant claims to have changed his/her name by deed poll or any other mechanism, e.g. marriage, adoption, statutory declaration, he/she will be required to provide documentary evidence of the change.
- two utility bills or statements (from different sources) showing their name and home address
- documentation confirming their National Insurance Number (P45, P60 or NI Card)
- original documents confirming any educational and professional qualifications referred to in their application form, including, for teachers, proof of Qualified Teacher Status. If there is any doubt of authenticity, the relevant awarding body will be contacted
- proof of eligibility to work in the United Kingdom (see appendix notes for full list)

Based upon the candidate's performance at the initial interview, they may be asked to return for a second interview where they will be required to:

- demonstrate their competency to carry out the roles and responsibilities as detailed in the job description for the post; all teaching posts will include the teaching of a lesson to children of an appropriate age, all support roles will have key skills assessed
- answer questions aimed at obtaining evidence of how the candidate would aim to fulfil the roles and responsibilities as detailed in the job description for the post
- answer questions aimed at obtaining evidence of the candidate's motives, attitudes and behaviour in relation to the role

Unsuccessful candidates will be informed in writing and offered a telephone debrief up to a week after the date of the letter. The initiative is with the unsuccessful candidate.

The notes taken and documentation used in the interview process will form part of the formal record of why candidates were, or were not, selected. For unsuccessful candidates these records will be retained for six months by the school and then destroyed, unless the candidate specifically requests that we keep their details on file.

Successful candidate's notes will be kept on file for the duration of their employment and for a minimum of six years afterwards.

2.4. Conditional Offer of Employment

If it is decided to make an offer of employment following the interviews, any such offer will be conditional on the following:

- the agreement of a mutually acceptable start date and the signing of a contract incorporating the School's standard terms and conditions of employment
- the receipt of two satisfactory references as detailed above (if not already been received)
- a prohibition order check
- the completion of a self-declaration form in line with the requirements as set out in the Childcare Act 2006 (the **Act**) and the Childcare (Disqualification) Regulations 2009 (the **Regulations**) relating both the employee and to others who live or work in their household and who are 'disqualified'.

- verification of professional status, as appropriate, such as GTC registration, NQT status
- verification of medical fitness in accordance with DCSF Circular 4/99 Physical and Mental Fitness to Teach of Teachers and Entrants to Initial Teacher Training
- satisfactory completion of the probationary period, as detailed in the contract

In addition to these checks and, in accordance with the recommendations of the DCSF in "Safeguarding Children: Safer Recruitment and Selection in Education Settings", the School applies for a new enhanced criminal record disclosure from the Disclosure and Barring Service (DBS) in respect of **ALL** prospective staff members (unless the "three month rule" applies), advisors and volunteers. A separate barred list check will be undertaken if a new enhanced disclosure with barring information is required but is not received in advance of a member of staff starting work in a regulated activity, or a pre-existing enhanced disclosure check is accepted under the three-month rule for a member of staff starting work in a regulated activity or a pre-existing enhanced DBS check without barring information is accepted from a candidate who has subscribed to the DBS update service.

- An Enhanced DBS Disclosure will contain details of all convictions on record including current and spent convictions (including those which are defined as "spent" under the Rehabilitation of Offenders Act 1974) together with details of any cautions, reprimands or warnings held on the Police National Computer. It may also contain non-conviction information from local police records which a chief police officer thinks may be relevant in connection with the matter in question
- As the individual is applying for a position working with children or young adults, it will also reveal whether he/she is barred from working with children or vulnerable adults by virtue of his/her inclusion on the lists of those considered unsuitable to work with children or vulnerable adults maintained by the DfES and the Department of Health
- From July 2013 the DBS introduced Applicant-only certificates so, from September 2013 onwards, the date on which the school has site of the Applicant's copy will also be entered on the school's Central Register of employment.
- The grounds for disqualification include, in summary,:
 - being on the DBS Children's Barred List;
 - being cautioned for, convicted of or charged with certain violent and sexual criminal offences against children and adults, at home or abroad;
 - being the subject of certain other orders relating to the care of children;
 - refusal or cancellation of registration relating to childcare or children's homes or being prohibited from private fostering;
 - living in the same household where another person who is disqualified lives or works.

Applicants with recent periods of overseas residence and those with little or no previous UK residence will also be asked to apply for the equivalent of a disclosure, where one is available in the relevant jurisdiction(s).

If the above conditions are satisfied and the offer is accepted then the applicant will be issued with a contract of employment as confirmation of employment.

If a candidate is found to be on the DCSF List 99 or the protection of Children Act List, or if the enhanced DBS disclosure shows s/he has been disqualified from working with children by a court, or if s/he has a prohibition order against them or if s/he is found to have provided false information in his/her application, or if s/he is the subject of serious expression of concern as to his/her suitability to work with children, these facts will be reported to the Police and the DCSF Children's Safeguarding Unit.

3. Disclosure and Barring checks for short-notice supply teachers

Whenever possible we arrange cover for teachers 'in-house' through our starred periods cover timetable but on occasion we do need to use supply teachers from an agency. Proof of registration will be required before the School will commission services from any such organisation. The identity of all supply teachers, using either a current passport or a birth certificate **and** a current photo-card driving licence, will be checked upon their arrival at school and before they allowed to teach.

Other visiting professionals supplied by a central body such as sports coaches and student teachers will need to have their identity checked prior to gaining access to children.

It is not necessary, however, to undertake vetting checks on visitors who only have brief contact with children in the presence of a teacher or for individuals carrying out repairs or servicing equipment.

4. Induction

All newly appointed staff will undergo a programme of induction training relevant for their post. In addition to this all members of staff, whether teaching or support staff, will undergo induction training which will specifically address issues concerning the safeguarding of children and young people and the procedures detailed in the School's Child Protection(Safeguarding) Policy.

5. Disclosure and Barring Service (DBS)

The Disclosure and Barring Service (DBS) was launched on the 1 December 2012 and merged the services previously provided by Criminal Records Bureau (CRB) and the Independent Safeguarding Authority (ISA).

The Disclosure and Barring Service's (DBS) role is to help prevent unsuitable people from working with children and vulnerable adults. We are required to report to the DBS within one month of leaving the school any person (whether employed, contracted, a volunteer or student) whose services are no longer used because he or she is considered unsuitable to work with children. Hurlingham School understands that, in this context, ceasing to use a person's services includes dismissal, non-renewal of a fixed-term contract, no longer engaging/ refusing to engage a supply teacher provided by an employment agency, terminating the placement of a student teacher or other trainee, no longer using staff employed by contractors, no longer using volunteers, resignation, and voluntary withdrawal from supply teaching, contract working, a course of initial teacher training, or volunteering. We undertake that our reports will include as much evidence about the circumstances of the case as possible. We understand that "Compromise agreements" cannot apply in this connection.
