

## CCTV Policy

This policy is made available to all parents, prospective parents, staff, prospective employees of Hurlingham School and members of the public on our website, and a hard copy can also be viewed at our School Office.

The purpose of this policy is to regulate the management and operation of the Closed Circuit Television (CCTV) System at Hurlingham School; both on the Putney Bridge Road and Gwendolen Avenue sites. It also serves as a notice and a guide to data subjects (including pupils, parents, staff, volunteers, visitors to the School and members of the public) regarding their rights in relation to personal data recorded via the CCTV system.

The System is administered and managed by the School, who act as the Data Controller. This policy will be subject to review from time to time, and should be read with reference to the School's Data Protection Policy and for further guidance, please see the Information Commissioner's CCTV Code of Practice (both are accessible on the School website or on request from the School offices).

All fixed cameras are in plain sight on the School premises and the School does not routinely use CCTV for covert monitoring or monitoring of private property outside the School grounds.

The School's purposes of using the CCTV system are set out below and, having fully considered the privacy rights of individuals, the School believes these purposes are all in its legitimate interests. Data captured for the purposes below will not be used for any commercial purpose.

The School will require specific details including at least to time, date and camera location before it can properly respond to any such requests. This right is subject to certain exemptions from access, including in some circumstances where others are identifiable.
