

HURLINGHAM
SCHOOL

SUMMER TERM 2024

Co-Curricular Overview

Welcome to Hurlingham School's co-curricular activities. Through the following pages you will see what is on offer for each year group for Summer Term 2024.

We hope you feel inspired and excited about all the clubs we have to offer. Please take your time to read through the clubs available and the times the clubs will be.

When selecting your clubs, do make sure you watch out for any potential clashes, as there is just not enough time in a school week to fit them around one another. Further to this, play and social interaction are also highly valuable for the children, so please remember this when signing up for lunchtime clubs. Remember, many of our clubs have a maximum limit, so make sure to sign up quickly so your child does not miss out.

We like to encourage consistency and commitment, therefore once signed up to a club, you will be charged for the term. If you chose not to continue with a club during the term, you will still be charged for the whole term.

You will notice the clubs have different dismissal times; please ensure you pick up at the correct time and if you have more than one child participating in a club, at the earliest dismissal time to avoid congestion when dismissing.

Please note, clubs will begin on the week of the 22nd April. Half term is the week of the 27th May. The last week of clubs will be the week of 24th June (leaving the remaining week of term free in the event of catch-up clubs). The signup for the clubs will be open on Schools Buddy at 7:pm on Friday 1st March. Our clubs signups are all subject to our terms and conditions, which are available on our website. **We would encourage you to read these carefully.**

Year 6 Literature Circle Summer 2024 - Booking deadline 8th March

Dear Parents

Due to the success of the Literature Circle in the Autumn Term, Mr Mann and I will be running the Club again for Year 6 pupils during the Summer Term on Thursdays from 4-5pm.

Membership of the Literature Circle will be available to all Year 6 children. The children will need to read, or listen, to the six books during the course of the Easter holidays and Summer Term so that they arrive ready and willing to share their ideas at each Literature Circle. We will also provide a reading journal and post-it notes for the children to record their thoughts and mark key pages as they read the books.

To ensure that we have the books available before the end of the Spring Term, we will need parents to sign their child up for the Club by the 8th March via Schools Buddy.

We will purchase a set of books for your child at a total cost of £40, which represents a saving on High Street prices. The weekly club session charge will be £5. All books will be given to the children before the end of the Spring Term.

Mr Mann and I are very excited to hear your children's views on these brilliant books. If you have any questions regarding Literature Circle, please do not hesitate to contact me.

With best wishes

Joanna Desforges
Deputy Head Teaching, Learning & Innovation
