SCHOOL

SUMMER TERM 2025

All prices are inclusive of VAT

Co-Curricular Overview

Welcome to Hurlingham School's co-curricular activities. Through the following pages you will see what is on offer for each year group for Summer Term 2025.

We hope you feel inspired and excited about all the clubs we have to offer.

Please take your time to read through the clubs available and the times the clubs will be.

When selecting your clubs, do make sure you watch out for any potential clashes, as there is just not enough time in a school week to fit them around one another. Further to this, play and social interaction are also highly valuable for the children, so please remember this when signing up for lunchtime clubs.

Remember, many of our clubs have a maximum limit, so make sure to sign up quickly so your child does not miss out.

We like to encourage consistency and commitment, therefore once signed up to a club, you will be charged for the term. If you chose not to continue with a club during the term, you will still be charged for the whole term.

You will notice the clubs have different dismissal times; please ensure you pick up at the correct time and if you have more than one child participating in a club, at the earliest dismissal time to avoid congestion when dismissing.

Please note, clubs will begin the week commencing the 28th April. Half term is Monday 26th May through to Friday 30th May. The last week of clubs will be the week commencing the 23rd June (leaving the remaining week of term free in the event of catch-up clubs).

Please note that the signup for the clubs will open on SchoolsBuddy at **6pm on Monday 10th March**. Our club signups are all subject to our terms and conditions, which are available on our website. *We would encourage you to read these carefully.*

Reception

Computing Club

This exciting club allows children to explore technology through fun, hands-on activities. Each week, we'll use Mini Mash on Chrome books to discover new skills based on different themes, such as creating artwork, solving puzzles, and more. The club also introduces basic coding by allowing children to program mini robots, giving them commands to make the robots move.

Wednesday	3:30pm—4:30pm	£48 for the term
-----------	---------------	------------------

MADD

Music, Art, Dance and Drama is an essential part of a child's development and self-discovery. The children will participate in a weekly carousel of music, drama, art and dance activities, all fantastic ways to build confidence and express yourself.

Wednesday	3:30pm—4:30pm	£48 for the term
-----------	---------------	------------------

SPORTS CLUB

Sports Club is not only a fantastic way to build motor skills, coordination and work on the fundamental skills, but also helps children develop communication and problem solving skills that will benefit them in and out of sport. Exercise is a great way for children to release energy and develop bonds with their peers. Provided by an external company on site, this is a fantastic club for children of all abilities.

Thursday	3:30pm—4:30pm	£115 for the term
----------	---------------	-------------------

Year 1 & 2

Year 2 Morning Club

Popstars

An exciting new club where children will sing and dance their heart out to their favourite pop songs! Perfect for all abilities, children will learn to work as individuals and as part of a team to perform fun, dynamic routines as we work towards an informal end of term show for the family. They will unlock their own creative flair and build their confidence in movement and performance.

Join us on Wednesday mornings for a LOAD of fun and release your inner Pop Star!

Hairbrushes optional! Run by an external provider. Available to Years 2 to 4.

Wednesday	7:45am—8:15am	£134 for the term

Year 1+2 Lunchtime Clubs

GARDENING CLUB

Run by Mrs Deasy, the gardening club will provide opportunities for children to learn and experience the basics of gardening (soil, water, heat and light), but also children will have the chance to witness how this ecosystem created by them changes and grows. Children will learn how to create a sustainable garden that can produce food and potential wildlife habitats.

Year 1 Monday	12:40pm—1:10pm	£84 for the term
Year 2 Friday	12:40pm—1:10pm	£72 for the term

CHESS

Chess is fantastic for children's concentration, problem-solving, critical thinking, and creativity – and even mathematical abilities. It also helps with memory storage and how young brains manage information. This is great for beginners and players who want to practise their existing skills and progress further. The Monday group is for YEAR 1 and the Tuesday group is for YEAR 2.

Monday	12:40pm—1:10pm	£105 for the term
Tuesday	12:40pm—1:10pm	£120 for the term

CHOIR

A choir for everyone in Years 1 and 2 to enjoy singing, improve musicianship, and have fun together with concerts throughout the year. This club is free.

Tuesday	12:40pm—1:10pm	Free
---------	----------------	------

Year 1+2 After School Clubs

LAMDA

LAMDA is a fantastic way to boost self confidence, public speaking and, of course, acting skills. LAMDA stands for: London Academy of Music and Dramatic Art. This is an examinable club where the children can work through their LAMDA grades and develop a sense of achievement as well as commitment and consistency.

Please note that children need to attend LAMDA for a minimum of 2 terms (one being the Summer term) in order to be able to sit the examination.

Monday	3:30pm—4:30pm	£216 for the term
--------	---------------	-------------------

LEGO CONSTRUCTION CLUB

In this club, students will build on creativity, problem-solving, critical thinking skills and cooperation in order to use Lego and other construction resources to build solutions to various engineering design challenges.

Benefits of Lego Club

- Reinforce STEM concepts.
- Build self-confidence and problem-solving skills
- Encourage innovative thinking and cooperation/collaboration.
- Provide a safe, enriching environment to create and play
- Meet new friends and have FUN!

TOUCH-TYPING

Touch-typing is typing without using the sense of sight to find the keys. A touch-typist will know the location of keys on the keyboard through trained muscle-memory. Today's children are growing up in a technology-led world and it is realistic to assume that computers will play a significant role in both their personal and working lives. Touch-typing is a skill for life; once learnt, it gives students a measurable advantage as they progress through their years of education at Hurlingham School, secondary school, university and into the world of work. It is recognised as a particularly beneficial skill for pupils with dyslexia and other related learning conditions. This club is available to children from Year 3 to Year 6.

Thursday	4:00pm—5:00pm	£120 for the term
----------	---------------	-------------------

FENCING

We are very excited to announce that Fencing is back! We have a new external provider coming in to teach the club and they come very highly recommended. This club will be open to years 3-6 and spaces are limited so to avoid disappointment please sign up quickly.

Tuesday	4:00pm—5:00pm	£224 for the term
---------	---------------	-------------------

POKEMON CLUB

Pokemon club provides a fun and interactive space where kids can learn, play, and trade Pokémon cards. By participating in the club, children not only engage in a popular and exciting game but also develop important skills. Through gameplay, they enhance their critical thinking, problem-solving, and strategic planning abilities. The club also fosters social interaction and teamwork as children make new friends who share their passion for Pokémon. Additionally, it nurtures creativity and imagination as kids design their own decks and explore unique playing styles. Join our club and embark on a Pokémon-filled adventure!

Wednesday	4:00pm—5:00pm	£48 for the term

Literature Circle Summer 2025 - Booking deadline Monday 17 March 6pm

Dear Parents

Following the success of the Literature Circle in the Spring Term, I will be running the club again in the Summer Term for Year 5 and Year 6 pupils, every Thursday, 4-5pm.

Membership of the Literature Circle will be open to all Year 5 and Year 6 children. The children will need to read six books during the course of the Easter holidays and Summer Term, so that they arrive ready and able to share their ideas at each Literature Circle meeting.

To ensure that we have the books available before the end of the Spring Term, we will need parents to sign their child up for the Club by 6 pm on Monday 17 March via Schools Buddy.

We will purchase the books for your child and all books will be given to the children before the end of the Spring Term. We are able to offer a reduction on the RRP of the books, which will be billed as part of the club fee.

I am very excited to hear your children's views on these brilliant books. If you have any questions regarding Literature Circle, please do not hesitate to contact me.

With best wishes

Tom Mann
Librarian & Form 4 Teaching Assistant
